Commencing on June 6, 2023, the following e-mail message was sent to certain stockholders of Momentus Inc.:

As we are trying to get to quorum for the annual meeting of company stockholders (recently adjourned to June 21, 2023), we saw that _____ and _____ were still on the “unvoted” list as of last week’s stockholder meeting. To facilitate the voting, the individual(s) authorized to vote those entities’ shares, can provide us with voting instructions, and we will pass them along to the proxy solicitor (Morrow Sodali) who will record the vote(s). If you have that authority, you can reply to this email with instructions to vote those shares (e.g., “Vote _____ shares ‘For’ all proposals on the ballot”) and we will take it from there. Even votes against the Company’s recommendations will move us closer to the quorum. The proxy solicitor will then send a voting confirmation to _____ and _____.

Please let us know if you have any questions. Thank you.
