Interests of the Momentus Directors and Executive Officers in the Business Combination

The above section of the Proxy Statement is supplemented with the following:

New Equity Awards to Executive Officers

In addition, under the terms of Dawn Harms’ amended and restated offer letter, subject to approval of the Combined Company Board and contingent on the closing of the Business Combination, Momentus has also agreed to grant Ms. Harms an award of restricted stock units denominated in Combined Company Class A common stock or restricted shares of Combined Company Class A common stock (in the sole discretion of the Combined Company Board) with a grant date fair value of \$1,625,000.

Furthermore, if the (i) closing of the Business Combination occurs and (ii) the Federal Aviation Administration issues Momentum licenses to launch, in each case, on or before December 31, 2021, Mr. Rood's 2021 annual cash incentive bonus award will be payable at 100% of his prorated actual base salary earned in 2021 (which is currently \$800,000 per year).

Non-Employee Director Compensation

Pursuant to the terms of the offer letter by and between Momentum and Mr. Victorino Mercado, for his service in the roles of Security Director and chairperson of the security committee of the board of directors of Momentum, Mr. Mercado will receive an annual cash retainer of \$50,000, payable quarterly in arrears and pro-rated for partial quarters of service. In addition, for the first three (3) months of his service in those roles (which may be extended if warranted by the initial duties), Mr. Mercado is also entitled to a monthly cash retainer of \$20,834.

In addition, under the terms of the non-employee director compensation policy, which will be adopted and become effective upon the closing of the Business Combination, Victorino Mercado will receive a cash retainer and an equity award for his service as a non-employee member of the Combined Company Board and as chairperson of the nominating and corporate governance committee.

Specifically, Mr. Mercado will receive total annual cash retainers in the amount of \$115,000 (\$100,000 for service as a member of the Combined Company Board and \$15,000 as chairperson of the nominating and corporate governance committee of the Combined Company Board) and a grant of restricted stock units denominated in Combined Company Class A common stock with a grant date fair value currently estimated to be \$537,500 ((i) \$350,000 plus (ii) \$250,000 multiplied by the number of full months expected between the closing of the Business Combination and June 1, 2022 divided by 12, which is currently estimated to be \$187,500).

Under Ms. Harms' amended and restated offer letter, she is entitled to (i) an annual base salary of \$350,000 per year, (ii) a one-time bonus of approximately \$57,778, the amount of which represents the difference between her prior base salary of \$250,000 and \$350,000 for the months of January through July and (iii) an annual cash bonus for calendar year 2021 of \$875,000 (\$700,000 of which is consideration for her services as interim Chief Executive Officer and \$175,000 of which is consideration for her services as Chief Revenue Officer). For calendar years thereafter, her base salary and annual cash bonus opportunity target and amounts will be determined by the Momentus board of directors or compensation committee of the board of directors.

As described above, Momentus has also agreed, subject to approval of the Combined Company Board, to grant Ms. Harms an award of equity (either RSUs or restricted stock) having a grant date fair value of \$1,625,000. Ms. Harms' employment remains "at-will" and may be terminated by either party at any time. Ms. Harms is entitled to certain severance payments and benefits upon a termination of her employment by Momentus without cause or upon her death or disability, as explained in the section below entitled "*Potential Payments Upon Termination or Change in Control.*"

The equity awards of Ms. Harms and Mr. Rood will be granted under the 2021 Equity Incentive Plan, which is being adopted in connection with the Business Combination, subject to stockholder approval. For additional information about the 2021 Equity Incentive Plan and these awards, see the section titled “*Proposal No. 5 — Approval of the 2021 Equity Incentive Plan Proposal.*”

Potential Payments Upon Termination or Change in Control

*The Proxy Statement is supplemented by adding the following new section under **Executive Compensation Arrangements – Pre-Closing Agreements:***

John Rood

Under John Rood’s employment agreement, if Mr. Rood’s employment is terminated by Momentus without “cause” or by Mr. Rood for “good reason” (as such terms are defined in his employment agreement) and Mr. Rood executes a release of claims, Mr. Rood will be entitled to (i) the aggregate amount of his base salary and target annual bonus, payable over a 12 month period from the date of his termination, (ii) a lump sum cash payment equal to his prorated annual bonus for the fiscal year during which Mr. Rood is terminated, based on actual performance, (iii) reimbursements equal to the portion of the monthly health premiums paid by Momentus on his behalf and that of his eligible dependents immediately preceding the date that his employment terminates until the earlier of (a) 12 months following the date of termination and (b) the date that Mr. Rood and his eligible dependents become ineligible for COBRA coverage, and (iv) his outstanding unvested equity awards will vest as to that number of shares or units that would have vested had Mr. Rood remained employed until the 12 month anniversary of his termination date.

In addition, Mr. Rood’s employment agreement provides that if his employment is so terminated in the period beginning three months prior to and ending 24 months following a “change in control” (as defined in his employment agreement) and Mr. Rood executes a release of claims, he will be entitled to receive (i) a lump sum payment in the aggregate amount of 18 months of his base salary plus one and one-half times his target annual bonus, (ii) a lump sum cash payment equal to 150% of his prorated annual bonus for the fiscal year during which Mr. Rood is terminated based on actual performance, (iii) reimbursements equal to the portion of the monthly health premiums paid by Momentus on his and his eligible dependents’ behalf immediately preceding the date that his employment terminates until the earlier of (a) 18 months following the date of termination and (b) that date that Mr. Rood and his eligible dependents become ineligible for COBRA coverage, and (iv) his outstanding unvested equity awards subject to time vesting will vest in full; provided that if Mr. Rood remains employed through the consummation of the change in control and the successor to the Company or any affiliate of such successor does not agree to assume, substitute or otherwise continue such equity awards at the time of the change in control, his equity awards will vest in full immediately prior to, and contingent upon, the consummation of such change in control.

Dawn Harms

Under Ms. Harms’ amended and restated offer letter, if Ms. Harms’ employment is terminated by Momentus without “cause” (as defined in her amended and restated offer letter), or due to death or her disability, and Ms. Harms executes a release of claims, she will be entitled to (i) a lump sum cash payment equal to (a) her one-time bonus of approximately \$57,778, if it has not already been paid to her, plus (b) her 2021 annual cash bonus of \$700,000 for her role as interim Chief Executive Officer, if not already paid to her, plus (c) a pro-rated portion (based on days employed during 2021) of her 2021 annual cash bonus of \$175,000 for her role as Chief Revenue Officer, if not already paid to her, and (ii) full accelerated vesting and exercisability of (a) her equity awards granted prior to the effective date of her amended and restated offer letter and (b) the equity award with a grant date fair value of \$1,625,000 that is provided for in her amended and restated offer letter, but in each case, only to the extent such awards are then outstanding and unvested.

Post-Closing Employment Agreements

The above section of the Proxy Statement is supplemented with the following:

Mr. Rood will continue to be employed by the Combined Company under the terms of his employment agreement with Momentus.

Non-Employee Director Compensation Policy

The above section of the Proxy Statement is revised and replaced in its entirety with the below:

Director Compensation Policy

In connection with the Business Combination, the Combined Company Board will adopt a new non-employee director compensation policy to govern the Combined Company Board effective as of the Closing. The new policy is designed to attract and retain high quality non-employee directors by providing competitive compensation and align their interests with the interests of stockholders through equity awards. It will cover the compensation of all roles on the Combined Company Board other than the Security Director and the chairperson of the security committee.

Specifically, the new policy provides for the following annual cash retainers, which will be payable quarterly in arrears and pro-rated for partial quarters of service:

Annual Board Member Service Retainer

- All Outside Directors: \$100,000
- Outside Director serving as Chairperson: \$60,000 (in addition to above)
- Outside Director serving as Lead Independent Director: \$30,000 (in addition to above)

Annual Committee Member Service Retainer

- Member of the Audit Committee: \$20,000
- Member of the Compensation Committee: \$15,000
- Member of the Disclosure Committee: \$15,000
- Member of the Nominating and Corporate Governance Committee: \$10,000

Annual Committee Chair Service Retainer (in lieu of Annual Committee Member Service Retainer)

- Chairperson of the Audit Committee: \$30,000
- Chairperson of the Compensation Committee: \$22,500
- Chairperson of the Disclosure Committee: \$22,500
- Chairperson of the Nominating and Corporate Governance Committee: \$15,000

Equity Compensation Beginning at the 2022 Annual Stockholder Meeting

Non-employee directors will receive RSU grants under the Combined Company's 2021 Equity Incentive Plan on and after the Combined Company's 2022 annual stockholder meeting, annually and upon the beginning of service, which will vest, subject to continuous service through the applicable vesting date:

- RSUs initially valued at \$350,000 upon initial election or appointment to the Combined Company Board, which will vest in three equal annual installments from the date of grant; and
- Additional RSUs initially valued at \$250,000 annually, which will vest upon the earlier of the first anniversary of the date of grant or the day before the next annual stockholder meeting, prorated for partial years of service (including the initial year of service).

Transitional Equity Grants

Prior to the 2022 annual meeting of stockholders, in lieu of the RSU grants described above, non-employee directors will receive transitional RSU grants upon the following terms under the Combined Company's 2021 Equity Incentive Plan, which will vest, subject to continuous service through the applicable vesting date:

- Non-employee directors who serve on or after the Closing (but before the 2022 annual meeting of stockholders) will be granted RSUs initially valued at \$350,000, which will vest in three equal annual installments from the date of Closing.
- Non-employee directors who serve on or after the Closing will be granted RSUs initially valued at \$250,000 multiplied by the number of whole months that the non-employee director will have served from period beginning on the Closing and ending June 1, 2022, divided by 12, which is currently estimated to be \$187,500. The RSUs will vest upon the earlier to occur of June 1, 2022 and the day before the 2022 annual meeting of stockholders.

Accelerated Vesting

The vesting of the RSU grants will accelerate in full if the non-employee director remains in continuous service until immediately prior to such director's: (i) death, (ii) "disability" or (iii) the closing of a "change in control" (as "disability" and "change in control" are defined in the Combined Company's 2021 Equity Incentive Plan).

Other Terms

To avoid adverse tax consequences to non-employee directors who reside outside of the U.S., the Combined Company Board, in its sole discretion, may provide for non-statutory stock options of equal value in lieu of RSU grants, which will have a term of ten years from the date of grant and an exercise price per share equal to 100% of the fair market value of the underlying Combined Company Class A common stock on the date of grant. All other terms and conditions that apply to RSU grants under the non-employee director compensation policy will apply to such options.

If permitted by the Combined Company, a non-employee director may elect to defer cash retainers and/or RSU awards prior to being earned into deferred stock units of the Company, which shall settle upon the earlier to occur of the director's "separation from service" as defined in the Treasury Regulations under Code Section 409A or the date determined by the Combined Company.

The Company will reimburse each non-employee director for ordinary, necessary and reasonable out-of-pocket travel expenses to cover in-person attendance at, and participation in, board of directors and committee meetings, provided they are reimbursed in accordance with the Combined Company's travel and expense policy.

Security Director and Chairperson of Security Committee

In addition to compensation under the non-employee director compensation policy, Victorino Mercado, as the Security Director and the chairperson of the security committee of the board of directors of Momentus will receive additional compensation pursuant to the terms of his offer letter. Mr. Mercado will receive an annual cash retainer of \$50,000, payable quarterly in arrears and pro-rated for partial quarters of service. In addition, for the first three months of his service in those roles (which may be extended if warranted by the initial duties), Mr. Mercado is also entitled to a monthly cash retainer of \$20,834.

Management After the Business Combination

The information under “Non-Employee Directors” under “Management After the Business Combination” is supplemented by adding the following information for Victorino Mercado:

Victorino G. Mercado, 60, was appointed to the Momentus board on July 26, 2021 after approval by CFIUS in accordance with the NSA. Mr. Mercado is expected to be appointed by the Combined Company board to continue as the Security Director of Combined Company as a Class III director whose term will expire at the Combined Company’s annual meeting in 2024.

Victorino G. Mercado. Mr. Mercado has served as a member of the Board of Directors of Momentus since July 26, 2021. Upon the consummation of the Business Combination, Mr. Mercado will continue to serve on Combined Company board. From July 2019 to January 2021 Mr. Mercado served as the Assistant Secretary of Defense for Strategy, Plans, and Capabilities, after being confirmed by the U.S. Senate. Prior to this, Mr. Mercado served as the Deputy Assistant Secretary of Defense for Plans and Posture from January 2019. From May 1983 to November 2018, Mr. Mercado served in various positions in the U.S. Navy and retired as a two-star Admiral. He held a number of senior operational and staff positions, including Director, Maritime Operations of the U.S. Pacific Fleet; Director, Assessments Division in the Office of the Chief of Naval Operations; and Commander, Carrier Strike Group Eight. One of Mr. Mercado’s shore tours was with the Navy’s engineering and acquisition community as the command, control, communications and intelligence warfare systems engineering manager for the AEGIS Program Manager. Mr. Mercado holds a B.S. in Mathematics/Computer Science from the U.S. Naval Academy and an M.S. in Systems Technology in Joint Command, Control and Communications from the Naval Postgraduate School in Monterey, California. We believe Mr. Mercado is qualified to serve on the Combined Company board because his in-depth experience in security matters will be instrumental in providing oversight of compliance with the security-related requirements under the NSA and in building a robust security compliance program.

The information under “Corporate Governance – Committees of the Combined Company Board of Directors” under “Management After the Business Combination” is supplemented by adding the following after the current paragraph:

“In addition to the above-referenced committees, the Board will have a security committee and a disclosure committee.”
