Item 7.01 Regulation FD Disclosure.

Momentum Inc. (“we” or “our”) has established 2-way contact with the Vigoride orbital transfer vehicle, and as is often the case with a new spacecraft, had some initial anomalies. We are using an unplanned frequency as we work through this and are applying for a Special Temporary Authority (STA) with the Federal Communications Commission to address that in order to help command the vehicle back to nominal configuration. Our engineering and operations team is working to address the anomalies.

This information and the information contained in this Item 7.01 is furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, and shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as may be expressly set forth by specific reference in any such filing, regardless of any general incorporation language in the filing.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
